BUY A BRICK PROGRAM

Garden Brick Fundraiser and Save the Sundial 2015
Celebrating Sequoyah Elementary School's 25th Anniversary!

Dear Alumni and community members, businesses and organizations,

Through the Sequoyah Elementary School's Buy-a-Brick Program, you can be a part of an enduring piece of the Garden Brick Fundraiser and Save the Sundial 2015, celebrating Sequoyah Elementary School's 25th Anniversary. Starting at \$50.00, you can choose a message to be laser engraved on one of the bricks paving the Sequoyah courtyard and garden. We are offering two sizes of bricks for our brick fundraising project. You can purchase either a 4X8" or an 8X8" laser engraved brick.

The PTA's goal is to revitalize the Sequoyah courtyard. There is a sundial at the center of the courtyard and a plaque from the inaugural class of 1990 that has faded. Revitalization efforts will include raised bed planting space for each grade-level, a pond and a butterfly garden, and an incorporation of a brickyard landscape in conjunction with a brick fundraiser.

Recognize a special person in your life. Honor a casual effort; commemorate a special occasion-the possibilities are endless. You can engrave up to three lines of text with 20 characters per line. On the 8X8" bricks, you can engrave up to six lines of text with 20 characters per line. The 20 character per line includes all spaces and punctuation marks.

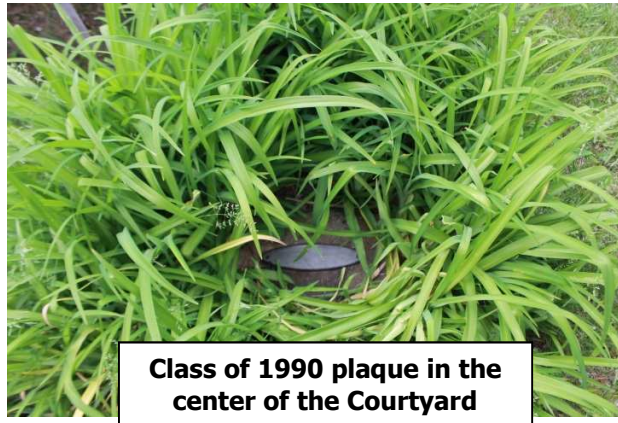

You can pay for your engraved bricks via credit card on-line or by check using paper order forms (see attached). Order deadline is March 31, 2015. If you have any questions, please contact Francesca Cannetti at sesptavpoffundraising@gmail.com.

For your orders, please enter your text exactly how you want it to appear on the brick. All engraved text is automatically centered and will be engraved on the brick in the case as received (mixed case can be used).

Sincerely,

Francesca P. Cannetti

SAVE THE SEQUOYAH SUNDIAL!

One of the PTA's goals for this year is to revitalize the Courtyard with a Garden. The center of the school used to be a sundial and it is no longer functional. The inaugural class of 1990 at Sequoyah Elementary School has a plaque of dedication that is faded. A committee of 2014 parents, alumni and staff met to determine that we will start small, but start at the heart and very center of the school with bringing back the sundial. In 2015, Sequoyah Elementary School will be 25 years old and we want to work hard on creating an inviting space and connecting the community!

COURTYARD IMPROVEMENT VISION STATEMENT:

Involve Sequoyah parents, Sequoyah students, Sequoyah staff/teachers, Sequoyah Building Services staff, Sequoyah administration and community members representing Montgomery County Rainscapes program, Boy Scouts, Girl Scouts, Master Gardeners, supporting businesses and Sequoyah alumni to improve the courtyard located at Sequoyah Elementary School in order to incorporate the space as an educational opportunity for hands-on implementation of Curriculum 2.0 and a relaxing space for staff and students to utilize a safe and secure outdoor classroom. The methods will be determined by a Garden committee, made up of representatives of the above-mentioned organizations, but ideally would include raised bed planting space for each grade-level, a pond and a butterfly garden, with incorporation of a brickyard landscape in conjunction with a brick fundraiser.

The dedication ceremony/"garden party" to celebrate the 25th year of Sequoyah Elementary School is scheduled for June 5, 2015 at 6:00pm, where members of the community, elected officials, garden committee, etc. will be invited. A plan for a maintenance schedule will need to be determined to keep the garden in lasting condition for the future classes at Sequoyah Elementary School for the next 25 years.
